**PFOS Position Statement  
Xilinx Programmable Logic Products**

Xilinx Programmable Logic products do not contain as intentional additives perfluorooctane sulfonates (PFOS) as identified in EU Directive 2006/122/EC (30th amendment to EU Directive 76/769/EEC).

This information is provided to assist Customer in determining the compliance of its products with European Union member state laws that implement the RoHS Directive. Customer acknowledges that Xilinx may have relied on information provided by others, and that Xilinx may not have independently verified such information. Upon request of Customer, Xilinx will make reasonable commercial efforts to obtain certifications from its suppliers where necessary. Notwithstanding any other agreements to the contrary, the information provided herein is provided solely for your reference on an “AS-IS” basis, and without warranty of any kind, express or implied. Xilinx hereby disclaims any and all liability associated with your use of this information.”
