

Overview

The purpose of this notification is to communicate that Xilinx[®] has changed the information on the outer carton labels for Solarflare X2, 8000 and 7000 series products. There is no change to form, fit, function, or reliability to the products.

Description

Xilinx has changed the information on the outer carton label for Solarflare X2, 8000 and 7000 series products. All key information will remain on the label. The details of changes can be found in [Table 1](#) (Details of Label Changes) and [Figure 1](#) (Examples of Outer Carton Label Changes). All associated specification control document (SCD) / Customer specific boards are also affected. No changes to the additional or special labeling required for SCD / Customer specific boards ordering part-numbers.

Table 1: Details of Label Changes

Label	Products	Items to be Removed	Items to be Changed
Outer Carton Shipping Label1&2	Solarflare X2, 8000 and 7000 series products and any associated Specification Control Document (SCD)/Customer Specific Boards	Outer Carton Shipping Label1 will be removed. Refer to Figure 1 for details	Outer Carton Shipping Label1 removed information will still be available on Label2 except for the following information. <ol style="list-style-type: none">1. Country of Origin (COO)2. Board Serial Number 2D Code3. Date Code
