

Product Discontinuation Notice PDN2002-01

Discontinuation of the XC4000EX & XC4000XV families

Overview: Xilinx will discontinue all device/speed/package combinations of the XC4000EX™ and XC4000XV™ product families (see table below). Note that this applies to commercial (C & I grade) products only. **Military product offerings are not affected.** Please also note that some members of the XC4000XV family have been previously discontinued per [PDN0001](#) and [PDN2001-02](#). The final order and final delivery dates stated in PDN0001 and PDN2001-02 remain unchanged.

Products Affected:

<u>Device</u>	<u>Package</u>	<u>Comments</u>
XC4028EX	HQ208	all commercial and industrial grades
XC4028EX	HQ240	all commercial and industrial grades
XC4028EX	HQ304	all commercial and industrial grades
XC4028EX	BG352	all commercial and industrial grades
XC4028EX	PG299	all commercial and industrial grades
XC4036EX	HQ240	all commercial and industrial grades
XC4036EX	HQ304	all commercial and industrial grades
XC4036EX	BG352	all commercial and industrial grades
XC4036EX	BG432	all commercial and industrial grades
XC4036EX	PG411	all commercial and industrial grades
XC40150XV	HQ240	all commercial and industrial grades
XC40150XV	BG352	all commercial and industrial grades
XC40150XV	BG432	all commercial and industrial grades
XC40150XV	BG560	all commercial and industrial grades
XC40250XV	BG432	all commercial and industrial grades
XC40250XV	BG560	all commercial and industrial grades

Reason for Change: The XC4000EX and XC4000XV families have declined in customer usage to the point where continued manufacturing is becoming no longer economical.

Key Dates:

Final orders accepted until 15 January 2004

Final deliveries on or before 15 April 2004

Replacement Devices: Assistance in planning for replacement of the above device combinations is available. Please contact your [Xilinx Sales Representative](#) for more information.

Response: Immediate response to this notification is not required. Please contact your [Xilinx Sales Representative](#) for help with replacement devices. For additional information or questions, please contact [Xilinx Technical Support](#).
