

Overview

The purpose of this notification is to inform customers of a change to the Humidity Indicator Card (HIC). There is no change to the form, fit, or function.

Description

To comply with REACH, a new European Community Regulation on chemicals and their safe use, Xilinx is replacing a Humidity Indicator Card (HIC) that contains Cobalt Dichloride (CoCl_2).

The Cobalt Dichloride Free HIC is free of Cobalt-Dichloride (CoCl_2), a chemical regulated under European Chemical Bureau (ECB) REACH directives, and the card is also fully compliant with JEDEC standard J-STD-033B01.

Figure 1: Old HIC

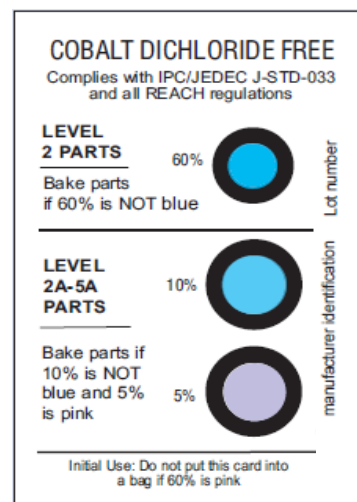

Figure 2: New HIC

Products Affected

This change affects all products shipped in vacuum sealed moisture barriers bags.

Response

No response is required. For additional information or questions, please contact [Xilinx Technical Support](#).

Important Notice: Xilinx Customer Notifications (XCNs, XDNs, and Quality Alerts) can be delivered via e-mail alerts sent by the MySupport website (<http://www.xilinx.com/support>). Register today and personalize your "MyAlerts" area to include Customer Notifications. This change provides many benefits, including the ability to receive alerts for new and updated information about specific products, as well as alerts for other publications such as data sheets, errata, application notes, etc. For information on how to sign up, refer to [Xilinx Answer Record 18683](#).
