

Product Discontinuation Notice For Aerospace and Defense 'XQ' and SMD Products

XCN10019 (v1.1) July 15, 2010

Product Discontinuation Notice

Overview

The purpose of this notification is to communicate that Xilinx is discontinuing certain Aerospace and Defense part numbers.

Description

As part of Xilinx regular product pruning activities and due to fabrication supplier line discontinuance, the following Aerospace & Defense products have been identified for obsolescence.

Products Affected

The table below contains the part numbers that are being discontinued.

SMD Part Number	Replacement Part
5962-9951401QYA	No direct replacement
XQ1701L-SO20N	No direct replacement
5962-9951401NXB	No direct replacement
XQ1701L-CC44M	No direct replacement
XQR1701L-CC44M	No direct replacement
XQR1701L-CC44V	No direct replacement

Key Dates and Ordering Information

Final orders are accepted until November 23, 2010.

Final deliveries must occur on or before May 23, 2011.

Return Material Authorizations (RMA) will be accepted until November 23, 2011.

Response

Customers are requested to place last-time-buy orders in a timely manner prior to the key dates listed above to avoid product availability issues. If you anticipate that your last time buy requirements will exceed the current rate, please provide your Xilinx Sales Representative with a forecast of the requirements. All orders will be supported on a first-come, first-served basis with the non-cancellable and non-returnable (NCNR) condition. For additional information or questions, contact your local Xilinx Sales representative.

Important Notice: Xilinx Customer Notifications (XCNs, XDNs, and Quality Alerts) can be delivered via e-mail alerts sent by the Support website (<http://www.xilinx.com/support>). Register today and personalize your "Documentation and Design Advisory Alerts" area to include Customer Notifications. Xilinx Support provides many benefits, including the ability to receive alerts for new and updated information about specific products, as well as alerts for other publications such as data sheets, errata, application notes, etc. For information on how to sign up, refer to [Xilinx Answer Record 18683](#).
