

Overview

The purpose of this notification is to inform customers that Xilinx is adding a new logistics service provider for our Automotive (XA) product families.

Description

As part of Xilinx global supply chain continuity and efficiency, Xilinx is adding a new approved logistics service provider. This additional logistics service provider will be qualified to provide these services for all Xilinx Automotive (XA) products.

The scope of this change involves Components products.

- A new additional Components warehouse will be located in Taiwan.

At the end of this change, Xilinx will be shipping products from Xilinx USA, Xilinx Singapore, and a new warehouse in Taiwan.

Products Affected

Components

- All Xilinx Automotive “XA” products are affected.

Key Customer Actions and Date Information

Table 1: Key Customer Actions and Date Information

S/No.	Requirements / Information	By Date
1.	Customers to provide appointed forwarder details in Taiwan to Xilinx.	April 30, 2014
2.	Customers to sign the Written Assurance of End Use and submit to Xilinx.	April 30, 2014
3.	Customers to determine if their import licenses would need to be updated to include this change notice from Xilinx.	April 30, 2014
4.	Xilinx will start shipping from the warehouse in Taiwan.	May 31, 2014

Qualification Data

Certification of this new logistics service provider will be completed by end of February 2014.

Response

Customers are expected to provide Xilinx the information as detailed in **Table 1**, the “Key Customer Actions and Date Information” section above.

Important Notice: Xilinx Customer Notifications (XCNs, XDNs, and Quality Alerts) can be delivered via e-mail alerts sent by the Support website (<http://www.xilinx.com/support>). Register today and personalize your “Documentation and Design Advisory Alerts” area to include Customer Notifications. Xilinx Support provides many benefits, including the ability to receive alerts for new and updated information about specific products, as well as alerts for other publications such as data sheets, errata, application notes, etc. For information on how to sign up, refer to Answer Record 18683: <http://www.xilinx.com/support/answers/18683.htm>.
