

Product Discontinuation Notice for Development Systems Products

XCN16012 (v1.0) February 8, 2016

Product Discontinuation Notice

Overview

The purpose of this notification is to communicate that Xilinx is discontinuing part numbers for Development Systems Vivado and ISE Debug Cores for WebPACK Edition and will begin to include debug cores, at no additional charge, in Vivado and ISE WebPACK similar to Vivado Design or System Edition and ISE Design or Embedded Edition starting with the Vivado 2015.4 release.

Description

As part of Xilinx regular product pruning activities, the following products have been identified for obsolescence. This notice should be used in conjunction with previous discontinuance notices which can be found at Xilinx.com.

Products Affected

- [Vivado and ISE Debug Cores for WebPACK Edition Licenses](#)

Table 1: Vivado and ISE Debug Cores for WebPACK Edition Licenses

Part Number	Description	Replacement Part

DO-VIVADO-DEBUG-USB-II-G-NL	Debug Cores for WebPACK Edition (Vivado and ISE) with USB-II Cable, Node Locked License	N/A

NOTE: Will be included, at no additional charge, in Vivado and ISE WebPACK Edition starting with the Vivado 2015.4 release.

Key Dates and Ordering Information

Vivado and ISE Debug Cores for WebPACK Edition Licenses

New orders for these part numbers will not be accepted after November 23, 2015.

Response

Customers are requested to place last-time-buy orders in a timely manner prior to the key dates listed above to avoid product availability issues. If you anticipate that your last time buy requirements will exceed the current rate, please provide your Xilinx Sales Representative with a forecast of the requirements. All orders will be supported on a first-come, first-served basis. All orders placed within 60 days of the last time buy date will be non-cancellable and non-returnable (NCNR). For additional information or questions, contact your local Xilinx Sales representative.

Important Notice: Xilinx Customer Notifications (XCNs, XDNs, and Quality Alerts) can be delivered via e-mail alerts sent by the Support website (<http://www.xilinx.com/support>). Register today and personalize your "Documentation and Design Advisory Alerts" area to include Customer Notifications. Xilinx Support provides many benefits, including the ability to receive alerts for new and updated information about specific products, as well as alerts for other publications such as data sheets, errata, application notes, etc. For information on how to sign up, refer to [Xilinx Answer Record 18683](#).
